Aquegel™ is *moisture where you need it most.*

Aquegel™'s specially formulated gel is safe for all ages and provides 8-12 hours of moisture relief to areas of the body afflicted with dryness. Aquegel™ is frequently used by plane travelers/commuters, teachers, day care providers, sufferers of sinusitis/allergies, cold/flu, frequent nose bleeds, and those on supplemental oxygen. It is also popular with: business travelers, teachers, and day care providers whose public environments are frequented with the cold and flu virus*.

DIRECTIONS: Using a moist cotton swab, apply a small amount of Aquegel to each nostril to soothe, irritated nasal passages. Reapply every 8-12 hours, or as needed. Patent Pending.
