

AQUEGEL

Training Program Overview

Product knowledge is the key to sales success and it starts with employees! Aquegel therefore provides two Training Options for your staff. Regardless of which option you choose, completing the Training Program will:

- ❖ GET FREE PIZZA FOR YOUR STAFF!!!
- ❖ Ensure your employees understand & can answer questions about Aquegel
- ❖ MAKE MORE SALES!!!!

Please choose from one of the Training Options below and complete as soon as possible:

TRAINING MUST BE COMPLETED BY:

____/____/____

OPTION - 1

**Training Meeting Via Conference
Call & Online Presentation**

While the Training Conference Call does require a meeting of employees, it also has several benefits:

- ❖ Aquegel provides food for your staff!
- ❖ Designating time for training is more effective to relay information.
- ❖ Ensures all employees undergo training at the same time so ROLLOUT of new product and programs are not delayed.
- ❖ Account manager is available to answer Questions after presentation.

OPTION - 2

**Downtime Training Via
Training Manual and Online Quiz**

The Training Manual Program is a very popular option for busy pharmacies. The benefits of this program include:

- ❖ Employees can read Training Manual during downtime and complete an online quiz at: www.aquegel.com/quiz
- ❖ Quizzes can be printed and submitted via fax at: www.aquegel.com/vendor-training/
- ❖ Specific time does not need to be scheduled with your staff.
- ❖ Completing the short quiz ensures your employees understand the material.
